A word from the Chairman

I am delighted to unveil Tattenhall Cricket Club's revamped junior cricket programme for the 2024 season.

I hope children and parents alike will feel and see the benefits of the changes we've made. This includes splitting our junior cricket nights into two evenings: the All Stars will continue on a Monday, while the Dynamos (as was) has been replaced and expanded on Friday evenings with a greater focus on enhancing and developing your child's cricketing ability.

I am now in my second year as the club's Chairman and I very keen that your child or children maximises their cricket skill to the absolute maximum (either for those with prior experience or those who are just starting out on their cricket journey), allowing them to play cricket competitively in our junior age group teams, hopefully our adult First XI in the future and who knows – maybe England one day on the international scene?!

I look forward to seeing many of you around and about over the summer months, both at practice and at matches.

Yours,

Adrian Waddelove
Club Chairman

Meet our lead coach

Brett Taylor returns to Tattenhall Cricket Club having enjoyed a stellar 2023 season with the bat, scoring over 650 runs in the First XI, a 'gun' fielder and a large character off the field.

He hails from New Zealand where he has previously represented his country at Indoor Cricket, been an analyst for New Zealand Cricket and holds a Bachelor in Sports Coaching – so he knows a thing or two on how to develop young players.

Brett is extremely passionate about getting young people into cricket and we look forward to him bringing on our local talent pool now into the cricketers of tomorrow.

Coaching Team

Ethan Evans

Holds multiple coaching badges and has previously helped the Cheshire Cricket Board deliver their junior coaching programmes. You might remember him as being one half of the team which delivered last year's super Summer Camp. Ethan plays in the First XI and broke through the junior ranks here at Tattenhall.

Max Ross

The other half of the team involved in the 2023 Summer Camp. Max also learned his cricket at Tattenhall and made his First XI debut in the 2023 season. He has helped out previously on the All Stars and Dynamos programmes over recent years and is looking forward to bringing those experiences to the fore in 2024!

Tim Salt

Has developed many many many Tattenhall cricketers over the years. Tim has been a stalwart of the club, previously opening the batting for the First XI during its 'golden era' and still plays occasionally for the Second XI. His experience, knowledge and cricketing nous is second to none.

Bob Spann

Joined Tattenhall CC many moons ago. A qualified umpire so don't let the ball hit your pads! Bob started coaching again when we launched the All Stars programme over three years ago and the kids always respond well to his stern words.

Junior Teams

This year Tattenhall will be fielding an U9 team and an U11 team.

The U9s will play their matches on a Monday evening while the U11s will play on a Wednesday. Both will be in the South Cheshire Cricket League.

Fixtures will be shared with parents as soon as they are confirmed.

Alumni

Henry Dobson

Henry Dobson came through the junior ranks at Tattenhall CC, making his full Cheshire team debut at the age of just 16. Previously he had represented the Cheshire age group teams before moving to Oxton on the Wirral to pursue his cricket at a higher level. He represented Leeds/Bradford MCCU while studying a degree meaning he has played against the likes of Harry Brook and Dom Sibley.

Ben Gibbon

Ben Gibbon also played his junior cricket at Tattenhall with his dad. He signed a professional contract with Worcestershire CCC in 2021 after playing for Cheshire. In his very first game as a pro he faced England captain Ben Stokes! He recently signed a three-year contract extension.
